Statement

This next year is going to be exciting but challenging one for Edinburgh Greens as we campaign for Holyrood elections and set us up for council elections in 2022. I want to join the committee this year, because I want to help out to make sure we get the best election result that we can. My number one choice for the committee is the Local Team Development Officer, because the local teams will be our bedrock for our campaigns and I want to make sure that they are supported in the best ways possible - which I hope to do by taking time to understand the needs of the different teams and find solutions that fit for them. I'm looking forward to joining the committee, using my skills and energy to make Edinburgh Greens stronger.
