

A23 Remove requirement to elect a Vice-Convenor

Proposer: Edinburgh Greens Branch Committee

Motion text

- 1 In the Constitution:
- 2 Amend section 2.9 to read: “At each AGM, the Branch will elect two Co-Convenors
- 3 (at least one of whom must be a woman) and a Treasurer. The Branch shall inform
- 4 the SGP Party Office of all new post holders within two weeks of their election.
- 5 This shall equally apply to any changes in office bearers throughout the year,
- 6 for example resignations.”
- 7 Delete section 3.2 (Vice-Convenor)

Reason

This motion tidies up the constitution to reflect recent practice, as we have not elected a Vice-Convenor since 2020. The role is not included in the new committee structure to be elected at AGM 2022.
