A27 Update membership of branch committee

Proposer: Edinburgh Greens Branch Committee

## Motion text

- In the Standing Orders:
- 2 Amend Section 2.3 to read:
- 2.3.1 Branch Committee membership consists of:
  - Office bearers and other official posts
- Representatives of any representative groups with an organised presence in Edinburgh
  - Representatives of the Councillor Group (as ex-officio members)
- 2.3.2 Branch Committee Sub-groups consist of:
  - Relevant office bearers
  - Ordinary members
  - Sub-Branch representatives where appropriate
- Co-opted members.
- 2.3.3 Those elected to public office for the Scottish Green Party may not also hold an elected position on the Committee.
- 2.3.4 Office bearers and other official posts shall have a job description which must be available to all Branch members.

## Reason

This motion amends the Standing Orders to reflect the new branch structure in place from 2022, which includes a smaller committee and more formalised sub-groups. The motion clarifies the membership of each.
