## Statement

Hello! I have been lucky enough to be on the branch committee for the last three years in an election focussed role.

As we move into a new phase after the elections of the last two springs, I would love the opportunity continue to be involved in the branch committee to help the branch continue to grow and succeed further.

The branch's local teams and sub-branches have been what has carried us over the line during the elections and I am keen to use the experience I've gained to help them develop them further and share best practice.
