

Committee Nomination

Proposer: Liam Singleton

Title: Liam Singleton

Photo

Statement

Hi, a relatively new member of the party I'm keen to get more involved in Scottish Greens essential work as our planet faces a climate crisis and systemic environmental collapse. I can bring policy experience from my time working in senior roles in the environment sector, most recently as an environmental consultant, plus a passion and commitment to the cause.

Role preference

First preference role: Ordinary Member - Policy and Campaigns
