## Statement

I've been a member for 3 years and have helped with leafleting, and now I'd love to become more involved with the branch through one of the Ordinary Member roles. With the recent local election results, this is a really exciting time to become more involved with the Greens. I'm a queer person living in Northfield with my partner and our dog Josy, and currently I'm finishing a PhD in astronomy. Through doing my research I've become skilled at data analysis and visualisation.
