

Committee Nomination

Proposer: Mariusz Cebulski

Title: Mariusz Cebulski

Why would you like to be elected to the role(s) you are standing for?

My second term as Edinburgh's Events and Fundraising officer ends this year, I'd be keen to continue at my post and deliver interesting, informative and entertaining events to our members and citizens of our city.

I have a number of ideas which I'd like to make reality, which would allow both the public to know why they should join the Green movement and let our members gain knowledge and new skills.

What skills and experience would you bring to the role(s) you are standing for?

In addition to being Events and Fundraising officer I've been co-convenor of one of the largest sub-branches in Scotland for four years and Finance and Fundraising Committee ordinary member for one. This all in

addition to helping organize local and national election campaigns.

I think thanks to those posts I've gained a lot of experience in organizing events, volunteers and running a committee. I'm keen to use my knowledge to provide even better events this year.
