

Committee Nomination

Proposer: Paul Wilson

Title: Paul Wilson

Why would you like to be elected to the role(s) you are standing for?

I have been an ordinary member of the Comms Group for the last year, primarily responsible for coordinating Green News content across the branches. It is a friendly group which I have enjoyed being part of. It has been satisfying seeing getting Green News into the hands of the sub-branches.

What skills and experience would you bring to the role(s) you are standing for?

- Experience in coordinating Green News across the sub-branches
- Some experience with the audiovisual equipment at AUC for the hybrid branch meetings

- Some product and project management experience.
- Slight data analysis skills. (I made the graphs for the last member communications survey)
