

# Report

---

**Proposer:** South West Edinburgh Greens (decided on: 06/08/2024)

**Title:** **South West Edinburgh Greens Report - June 2024**

---

## Report

1 Following discussion with active organisers in Fountainbridge/Craiglockhart,  
2 Sighthill/Gorgie and Pentland Hills, FC and SG decided to form South West  
3 Edinburgh Greens in May 2023. An AGM was held in August, with the following  
4 roles allocated.

5 **Convenor:** Dave Owen

6 **Branch Committee Representative:** Rob Gowans

7 **Newsletter coordinator:** Daniel Milligan

8 The sub-branch has met its minimum requirements; monitoring its inbox,  
9 delivering Green News, and mobilising for election campaigns.

10 We have also held two social events; a picnic in Saughton Park in June 2023 and  
11 a pub evening in February 2024. The sub-branch also hosted the Green Walk in  
12 September 2023, incorporating a tour of Edinburgh Printmakers and a route  
13 through the history of the area's former railway lines.

14 The main benefit of amalgamating has been to coordinate and optimise our Green  
15 news schedule, such that we now commission or create a hyper-local edition every  
16 few months, working through Shandon, Fountainbridge, Dalry, Hutchisson/Chesser,  
17 and Gorgie so that the print run is manageable for the combined core active  
18 membership of the whole sub-branch to deliver in good time.

19 Take up from members to participate has been disappointing.
