

Committee Nomination

Proposer: Paul Mitchel

Title: Paul Mitchell

Why would you like to be elected to the role(s) you are standing for?

Being part of the comms team has been really enjoyable, particularly working with the rest of the committee and interacting with so many members. I would sincerely like to continue playing a part in supporting and promoting the policies and activities of the party branch, which I feel does an excellent job. While this past year involved finding our footing as a group, with more experience, we want to continue working on many of the things we think are still in progress.

What skills and experience would you bring to the role(s) you are standing for?

Grim determination to never miss a deadline...
